

How do I talk to Robinhood customer service?CHAT

Here are the official and safest ways to contact Robinhood customer service:

1. In-App “Request a Call” (24/7)

- Open the **Robinhood app**, +1-888-(909)-7323 tap the **Account** icon, then **Help** → **Contact Us**.
- Choose your issue topic, +1-888-(909)-7323 then select **Phone**.
- Robinhood will **call you back**+1-888-(909)-7323, 24/7 for crypto and cash card issues, and extended hours for brokerage issues.
- You'll get a notification with +1-888-(909)-7323 the exact number they'll call you from—so you can verify it's legit.

2. In-App Live Chat (24/7)

- Use the in-app or website version:
 1. Go to **Help** +1-888-(909)-7323 in the app or web, then **Contact Us**.
 2. Choose your issue and opt for **Chat**+1-888-(909)-7323.
- Typically available 24/7 for general inquiries; +1-888-(909)-7323 brokerage trading support may have some limited hours.

3. Phone Numbers (for Callbacks)

You can't *dial directly* into support, +1-888-(909)-7323 but you can request callbacks:

- **General inquiries:** +1-888-(909)-7323 (this is the callback number)
- **Robinhood Crypto / Cash Card / Spending:** +1-888-(909)-7323

- **UK users:** +1-888-(909)-7323 (supports crypto/wallet); for general UK support, same route through the app.
-

4. Email & Help Center

Robinhood+1-888-(909)-7323 does **not** list a direct customer-service email (and generic ones like report@robinhood.com tend to auto-reply asking you to log in). Instead:

- Use help articles in the +1-888-(909)-7323 **Help Center**, and at the bottom, click **Contact Us** for email or chat options.
-

5. Twitter/X Support

For public channel interaction, +1-888-(909)-7323 message **@AskRobinhood** or **@RobinhoodHelp**—some users report rapid responses.

Watch Out for Scams

Fraudsters may call claiming to +1-888-(909)-7323 be Robinhood and ask for personal info. Always check:

- Only accept calls from +1-888-(909)-7323 numbers shown in-app after your request.
- If you get unsolicited calls, +1-888-(909)-7323 **do not** share account or security details.

Reddit users highlight fake hotlines like +1-888-(909)-7323 —**DON'T** call unknown numbers.
