## What is Coin Master?

Coin Master is a mobile game developed by Moon Active. The gameplay blends a slot machine mechanic with base-building elements, creating an addictive loop of attacking, raiding, and upgrading villages.

The main in-game currencies are **coins** and **spins**. Spins are used to operate the slot machine, which determines your actions — such as earning coins, attacking villages, or raiding opponents.

But spins are limited — and that's where **free spins** become crucial.
