

travel town energy [#J'BQ!]

travel town is an up and coming merge 2 project from a british developer called magmatic games the game started buying traffic in early 2022 and has been making steady progress ever since an especially impressive performance surge came in early 2023 downloads increased by more than two times and revenue almost tripled if the trend was anything to go by this is just the beginning to start to play the game you need energy you will start with 100 units of energy in the form of lightning you must use them wisely the energy will allow you to constantly load items on the board but energy is indeed spent quickly that is why we suggest keeping energy items like smileys in the inventory and reaching the maximum level for an energy item at the maximum level you will get 100 units of energy travel town implements various merge chains some of which are unique to the game new merge chains are added as players complete more levels and construct new buildings travel town s competitors mostly use similar merge chains with varying lengths but travel town likes to change things up here are some of the chains available in the game the only thing players can buy in the in game store are diamonds but offers also let them buy energy diamonds can be used to purchase various items energy time boosts and more here are some lots that stand out
