Game Pass Benefits & Partnerships

Riot Games Partnership

- Riot's biggest **PC and mobile titles** (e.g., *League of Legends*, *Valorant*, *Teamfight Tactics*) are now included with Xbox Game Pass.
- With a **Riot account** and **Game Pass membership**, unlock **premium rewards and exclusive benefits**.
- Partnership began **December 12** and goes beyond PC into mobile platforms.

Subscription Notes

- You can **redeem Xbox Live Gold or Xbox Game Pass codes** after subscribing to **Game Pass Ultimate** — they will **convert** based on Microsoft's current conversion chart.
- Game Pass Ultimate includes:

- Xbox Live Gold
 - 100+ high-quality games for **console and PC**
 - **Cloud gaming**, member discounts, and **online multiplayer**
-

Featured Game Pass Titles

First-Person Survival Game

- Survive after a **plane crash** in the **open ocean**.
- Battle **sharks, snakes**, and the harsh elements.
- Craft weapons and try to escape — now includes **co-op multiplayer**.

Citizen Sleeper

- Sci-fi RPG where you're a **synthetic body with a copied human mind**.
- Your body is decaying, and you're forced to **work gig jobs** to survive on a failing space station.
- Explore **factions, survival, choice, and morality** in this dystopian narrative.

Forza Horizon 5

- Playground Games' best open-world racer yet.
- A love letter to **Mexico** with stunning visuals and near-flawless gameplay.
- Available as part of Game Pass — **an incredible value**.

Tetris Effect: Connected

- Not just regular Tetris — a **synesthetic experience**.

- Journey Mode features beautiful, musical levels.
 - Multiplayer and enhanced visuals elevate the classic to something magical.
-

Conclusion

With Game Pass, you can:

- Play **new Xbox Game Studios & Bethesda titles Day One**.
- Explore **indie gems**, award winners, and classics.
- Enjoy **graphically enhanced editions**, like the *Mass Effect Legendary Edition* (with all DLC included).
